

Guided Reading/Colonization and Early Governments – USHC 1.1/1.2

Using your UNIT ONE READING handout (38-47) and notes packet, answer each question to the best of your ability on a separate sheet of paper, numbering each response.

1. Which European nations had the most successful colonial participation in North America?
2. What was the Virginia Company, and what did they hope to accomplish?
3. Describe the causes and effects of the plantation system in the Southern region.
4. Why did Puritans come to the new world?
5. Evaluate the establishment of public education in the New England colonies.
6. The Middle region was the most diverse. How did that impact society in these colonies?
7. What was salutary neglect, and how did it impact political decisions in the English colonies?
8. What was/is a representative government?
9. How has our modern government been shaped by early political decisions in the colonies?
10. In general, what role did women play in the colonies?
11. Evaluate the variable of location in the life of a colonial slave.
12. How did the Magna Carta and English Bill of Rights influence colonial governments?
13. Explain the influence that John Locke may have had on a colonist's political mindset.
14. How did the Great Awakening of the 1700's impact both religion and politics in the colonies?
15. Describe the tension between colonial governors and colonial legislatures prior to the American Revolution.
